

Runway Safety Action Seminar & Pilot Input / Feedback

A power point presentation will be delivered with many illustrations, you will see and hear why it is so important to pay attention while moving on a very busy airport like Tucson International. After this presentation, you will have a chance to give your own input on what could be done to improve Runway Safety at Tucson. Don't come alone; bring your "Wingman." This event will count for 'Wings' Credit.

Directions: The Executive Terminal is at the base of the Control Tower. It will be open for this event. Drive-In's parking front of Exec tower. Fly-in's park on ramp near Exec tower and walk in.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
